Thank you for choosing Albany State University as the place to continue your education! We are proud that you have chosen to be a Golden Ram, and we are aware that quality residential facilities play a major role in a student's collegiate choice. Albany State University's housing program has proven to be a very valuable and popular selection amongst our students. To improve our services and make the housing registration process simple for you, we have implemented new software that will allow you to complete the room reservation process online, which includes steps for paying your $50 application fee and $200 housing deposit.* To reserve your new housing assignment you must follow the below steps on or after March 14th, 2012. If you attempt to complete your application prior to March 14th, 2012 you will not be allowed to enter the portal.

STEPS FOR HOUSING REGISTRATION

2. In the left hand (navigation) bar, click on 'My Housing Portal'
