COMMENCEMENT APPAREL

Commencement is a very special ceremony. Graduates and family members will be capturing the occasion through snapshots and videotapes. Therefore, it is important that everything is properly coordinated and displayed, including the regalia. Here are some tips for a picture perfect commencement.

Caps should be worn straight on the head with the front point in the center of the forehead. The Bachelor's tassel should be worn on the right side and shifted to the left side at the designated time. Dark shoes, dark colored hose and dark clothing should be worn. No flowers or decorative jewels should be worn. Honor cords (for eligible students) must be cleared through the Office of Academic Services and Registrar before paying the Cashier. Other instructions will be given during the graduation rehearsal.

GRADUATION WITH HONORS/HONOR CORDS

Honors are based upon all academic work attempted including all courses attempted at other institutions. At least 30 hours of the credits used to determine honors must be earned at Albany State University.

To determine eligibility for recognition of graduation with honors at the ceremony**, the student's grade point average at the end of the semester prior to the graduation ceremony will be used**. After graduation and all final grades are recorded, calculated and all degree requirements are complete, official honors will be included on transcripts. The honors categories are listed below:

Honors	Required Overall GPA	Color of Honor Cord
Summa Cum Laude	4.00 - 3.90	Gold
Magna Cum Laude	3.89 - 3.75	Blue
Cum Laude	3.74 - 3.50	White

RECEIPT OF DIPLOMA

Candidates for graduation must meet all criteria for graduation from their respective programs pending grades for the current graduating semester. Following certification of completion of all requirements, students may pick up and sign for their diploma in the Office of Academic Services and Registrar or the diploma will be mailed to the address specified on the Application for Degree. Your diploma will be available four weeks after grades have been posted.

The diploma will be held for eight weeks. A student with a hold will not receive a transcript or diploma until the appropriate department removes the hold and the Office of Academic Services and Registrar is notified by the department placing the hold.
Although we exert every effort to ensure that diplomas are correct, students should review the diploma carefully and advise our office immediately of any discrepancies.

NOTE: Requests submitted for a name change must be completed four weeks prior to commencement, and there will be a charge to order another diploma ($30.00 for the bachelor's and $40.00 for the specialist and master's degrees).
