

## REGENTS' TEST TIPS

1. Please pick up your admission ticket **prior to the date of the test and bring it to the test site with you**; you will NOT be able to take the test without a ticket. NOTE: **Please bring your DRIVER'S LICENSE, STATE ID, MILITARY ID, or a PASSPORT in order to pick up the ticket and to enter the test site. ASU ID's will not be accepted.**
2. Please report to your site **at least twenty minutes before test time**. Late people will not be admitted once the directions for a test have begun.
3. Please plan to stay in each test session at least two hours. (You may not need this much time, but this is a precautionary measure.) For example, if you plan to take the reading and the essay writing tests; plan for at least two hours to be devoted to reading and two hours to be devoted to essay writing. **The two hours will include completing answer sheets and handing out and collecting the tests and the answer sheets. The actual test time is 60 minutes for each test, except for special situation students (chronic repeaters, second language students, physically disabled students, etc.) who may get extra time.**
4. Dress in layers; some of the rooms are cool, and temperatures cannot be adjusted.
5. Please bring **TWO #2 PENCILS ALREADY SHARPENED**, along with **TWO black ink pens**. Pencils or pens will not be provided. No blue pens will be allowed.
6. You may bring a dictionary to use during the last 15 minutes of the essay. (The dictionary should not include essay notes or a thesaurus.)
7. No student will be allowed to leave before the test time is up, except in the case of an extreme emergency. Walking around disturbs other students, and we want everyone to have an equal opportunity to pass the test.
8. Be sure to get a good night's rest before the day of the test; you want to be well rested, so you can do your best.
