Albany State University  
West Campus Arena

# Honoring Excellence in Academic Achievement

---

OFFICE OF THE PRESIDENT

March 19, 2026

Dear Albany State University Honor Students,

On behalf of Albany State University, it is my distinct honor and privilege to congratulate you on your outstanding academic achievement and your recognition as an ASU Honor Scholar.

Today, we celebrate more than grades or accolades — we celebrate discipline, resilience, intellectual curiosity, and the pursuit of excellence. Your commitment to your studies reflects the very spirit of Albany State University: a culture rooted in perseverance, purpose, and the relentless pursuit of progress.

As Honor Students, you represent the standard of academic distinction at this institution. You are scholars, leaders, and emerging changemakers who are helping to shape the future of our University and our communities. I challenge you to continue stretching yourselves — to lead boldly, think critically, and serve intentionally. Excellence is not a destination; it is a daily decision.

Your accomplishments also reflect the support system that stands behind you — faculty who mentor, families who encourage, and peers who uplift. Take pride in your achievement, but also remain grateful for those who have helped you reach this milestone.

At Albany State University, we are committed to cultivating a campus culture that reignites the flame of academic excellence, unity, and innovation. You are central to that vision. I look forward to witnessing your continued growth and to celebrating your future successes as you carry the Blue and Gold legacy forward. Congratulations once again on this well-deserved honor. Continue to shine, continue to lead, and continue to make ASU proud.

Building the Future of ASU Together,  
President Robert O. Scott Albany State University

## Dr. Dana Nichols

Vice Chancellor for Academic Affairs  
Board of Regents of the University  
System of Georgia

Dr. Dana Nichols serves as Vice Chancellor for Academic Affairs and Student Success for the University System of Georgia in Atlanta. In this role, she works to expand educational opportunity across the state, strengthen academic programs, and remove barriers that prevent students from achieving their educational goals. Through her leadership, she is dedicated to improving student outcomes and ensuring that colleges and universities provide meaningful, accessible pathways to success for all students.

A native of northeast Georgia, Dr. Nichols earned both her Master’s degree and Ph.D. from Georgia State University. She has twenty-six years of experience in higher education, with a career that spans several sectors of the state’s educational system. Her professional background includes five years in the Technical College System of Georgia, nine years in community colleges, and more than nine years in state colleges and universities. Throughout her career, she has demonstrated a strong commitment to academic excellence, student success, and the advancement of accessible, high-quality education.

In addition to her administrative leadership, Dr. Nichols remains actively engaged in professional and scholarly discourse. She presents and publishes on a range of topics, including language and literature, contemporary issues in international higher education, and partnerships between educational institutions and the workforce. Her work reflects a belief that higher education must remain responsive to the evolving needs of students, communities, and the global economy.

Dr. Nichols’ contributions have also extended well beyond the United States through several notable international engagements. She was one of only ten individuals selected to represent American community colleges in a China Study Tour for Higher Education Administrators, an initiative designed to promote international collaboration and dialogue among higher education leaders. She was also the only American invited to present at the International Symposium on Social Communication in Cuba, where she shared perspectives on communication and higher education in a global context.

Most recently, in March 2025, Dr. Nichols presented at the World Literacy Summit in Oxford, England, joining educators, policymakers, and scholars from around the world to discuss strategies for improving literacy and educational access. In August 2025, she participated in a Consular Academic Delegation to Israel, further strengthening international partnerships and expanding opportunities for collaboration in higher education.

Beyond her professional accomplishments, Dr. Nichols values the support and encouragement of her family. She enjoys spending time with her husband and her beloved “fur babies”—two dogs and two cats, all rescues.

# Program

Dr. Florence Lyons, Presiding  
Director, Velma Fudge Grant Honors Program

Greetings and Opening Statement.....	Dr. Florence Lyons Chair, Honors Day Committee
Invocation.....	Ms. Laila Saulsberry ASU Honors Student
Introduction of Speaker.....	Ms. Amber Davis Velma Fudge Grant Honors Student

## THE ALMA MATER

*By Gladys Ward McCullough Sapp '46*

Albany State, we dearly love you  
Whose walls are inscribed with knowledge so true.  
So solidly built on this foundation,  
A union of work and inspiration.  
Teacher for those who strive for success;  
To thee we give praises above all the rest.

Thy jubilant colors of blue and gold  
We'll ever honor, ever behold;  
Thy name is an anchor upon life's sea,  
And sailing, we put our trust in thee.  
In thee, dear school, we see all the best;  
To thee we give praises above all the rest.

## Honors Day 2026

---

Honoring Excellence in Academic Achievement
