

Education Preparation Program - Conceptual Framework Statement

The Educator Preparation Program of Albany State University develops Teachers and Other School Professionals who meet Unit Performance Standards identified in the Conceptual Framework.

Candidates: Reflect on Knowledge – Transform with Skills - Respond to Diverse Cultures with Dispositions - Demonstrate Competence in Technology

Completers: An ASU Professional Educator is a Reflective, Transformative, Culturally-responsive and Technologically-competent Practitioner

Initial Candidates/Completers - Unit performance standards are introduced, developed and practiced at the initial level.

Advanced Candidates/Completers – Unit performance standards are reinforced, mastered and accomplished at the advanced level.

UNIT PERFORMANCE STANDARDS

1. Reflective Practitioner:

1a. Professional Knowledge - The candidate demonstrates an understanding of the curriculum, subject content, pedagogical knowledge, and the needs of students by providing relevant learning experiences.

1b. Assessment Uses - The candidate systematically gathers, analyzes, and uses relevant data to measure student progress, to inform instructional content and delivery methods, and to provide timely and constructive feedback to both students and parents.

1c. Communication - The candidate communicates effectively with students, parents or guardians, district and school personnel, and other stakeholders in ways that enhance student learning.

2. Impactful Practitioner:

2a. Instructional Strategies - The candidate promotes student learning by using research based instructional strategies relevant to the content area to engage students in active learning and to promote key skills.

2b. Assessment Strategies - The candidate systematically chooses a variety of diagnostic, formative, and summative assessment strategies and instruments that are valid and appropriate for the content and student population

2c. Academically Challenging Environment - The candidate creates a student-centered, academic environment in which teaching and learning occur at high levels and students are self-directed learners.

3. Culturally-responsive Practitioner:

3a. Instructional Planning - The candidate plans using national, state and local school district curricula and standards, effective strategies resources, and data to address the differentiated needs of all students.

3b. Differentiated Instruction - The candidate challenges students by providing appropriate content and developing skills which address individual learning differences.

3c. Positive Learning Environment - The candidate provides a well-managed safe, orderly environment that is conducive to learning and encourages respect for all.

3d. Professionalism - The candidate demonstrates a commitment to professional ethics and the school's mission, participates in professional growth opportunities, and contributes to the profession.

3e. Diversity, Equity, and Inclusion. The candidate will confront and alter institutional biases and eliminate barriers associated with race, class, culture and language, gender and sexual orientation, and disability or special status.

4. Technologically-Competent Practitioner:

4a. Integration – The candidate demonstrates understanding and the ability to integrate technology into curricular and administrative routines.

4b. Usage - The candidate demonstrates understanding and the ability to use appropriate technology and multimedia applications to collect, analyze, and present data to inform professional practice.

4c. Application - The candidate demonstrates understanding and the ability to apply technology in professional settings,

4d. Professional Growth- The candidate uses appropriate technology to collaborate and network with colleagues to enhance professional growth.
