Belize's study abroad program introduces

students to research, education, entrepreneurship, and economics.

Through such experiences, students can better connect their academics with their future as professionals or graduate students.

Belize is a country on the northeastern coast of Central America. Belize is the only country in the area that has English as its official language. Belize is considered a Central and Caribbean nation with strong ties to Latin and Caribbean regions.

Students will also...

- Attend workshops with Belize corporations
- Visit the U.S. Embassy
- Tour Belizean Colleges and Universities
- Visit the Mayan Ruins
- Go on adventurous cave tubing and zip lining day trip

To apply visit the Office of International Education in BCB 391 - East Campus
