Email: mark.hankerson@asurams.edu

## ASU's TEACH ABROAD BELIZE is a

seven-day teaching internship to research, observe, and practice strategies for teaching culturally and linguistically diverse (CALD) learners. The purpose of the internship is to better prepare undergraduate education majors for meeting the needs of diverse learners in P-12 schools through course internationalization. **Only education majors can apply.**

Belize is a country on the northeastern coast of Central America. English is its official language, but it has strong ties to Latin and Caribbean culture.

In addition to the teaching internship, students will also...

- meet and greet education majors at a Belizean college
- snorkel and beach in beautiful Caye Caulker
- take a cultural tour of Mayan historical sites
- go on an adventurous hiking/tubing/ziplining day trip
- get one-on-one support to complete a mock edTPA
- complete practicum hours in just 7 days!!
- 

**To apply visit the Office of International Education in BCBB 391 - East Campus**

# TEACH ABROAD Belize

May 30, 2020 - June 6, 2020
