GRADUATION AT A GLANCE

You will receive informational e-mails throughout your semester of graduation. These emails will contain reminders about deadlines, and your graduation status.

It is your responsibility to check your status via ASU email account and to resolve any graduation discrepancies with your chairperson or dean.

Albany State University holds commencement ceremonies at the end of the Fall and Spring Semesters at the James H. Gray Civic Center, 100 W. Oglethorpe Blvd., Albany, GA 31701.

Line up begins at 8:00 a.m. **No student** will be allowed in the line of march after the procession has begun. Please be on time. If it is absolutely necessary that the degree be conferred in absentia, the student should write a letter to the Provost/Vice President for Academic Affairs requesting permission to graduate in absentia giving a valid reason why you cannot participate. If approval is granted, the diploma will be mailed provided the student has taken care of all obligations, including the exit interview required of all students who have received federal loans and the payment of the graduation fee. A diploma that is to be mailed "certified" to the address on the Application for Graduation/Degree Audit will cost an additional \$8.00 in addition to the graduation fee.

The full amount of the fee is required.

OUTSTANDING REQUIREMENTS

All potential graduates are required to take an exit examination required by their academic department. Scores for any required examination must be on file in the Office of Academic Services and Registrar by the deadline date.

All requirements for graduation must be completed by the deadline date, except current course work at Albany State University. Any student with course work that is not received by the deadline date will not be eligible for current graduation.

EXIT INTERVIEW - FINANCIAL AID OFFICE

Potential graduates who <u>have not</u> received any financial aid should report to Financial Operations Office and pay the required graduation fee by the deadline date. Prior to graduating, borrowers are required to complete an exit counseling session. All students <u>who received</u> federal loans (Direct Student Loans-Subsidized and Unsubsidized Stafford Loans) are required to complete an online exit counseling session. This exit counseling session will take about 30-40 minutes to complete. To complete the Exit Interview, please go to: https://www.dl.ed.gov

COMMENCEMENT APPAREL

Commencement is a very special ceremony. Graduates and family members will be capturing the occasion through snapshots and videotapes. Therefore, it is important that everything is properly coordinated and displayed, including the regalia. Here are some tips for a picture perfect commencement.

Caps should be worn straight on the head with the front point in the center of the forehead. The Bachelor's tassel should be worn on the right side and shifted to the left side at the designated time. Dark shoes, dark colored hose and dark clothing should be worn. No flowers or decorative jewels should be worn. Honor cords (for eligible students) must be cleared through the Office of Academic Services and Registrar before paying the Cashier. Other instructions will be given during the graduation rehearsal.

GRADUATION WITH HONORS/HONOR CORDS

Honors are based upon all academic work attempted including all courses attempted at other institutions. At least 30 hours of the credits used to determine honors must be earned at Albany State University.

To determine eligibility for recognition of graduation with honors at the ceremony, the student's grade point average at the end of the semester prior to the graduation ceremony will be used. After graduation and all final grades are recorded, calculated and all degree requirements are complete, official honors will be included on transcripts. The honors categories are listed below:

Honors	Required Overall GPA	Color of Honor Cord
Summa Cum Laude	4.00 - 3.90	Gold
Magna Cum Laude	3.89 - 3.75	Blue
Cum Laude	3.74 - 3.50	White

RECEIPT OF DIPLOMA

Candidates for graduation must meet all criteria for graduation from their respective programs pending grades for the current graduating semester.

The actual diploma will not be presented at the commencement ceremony. The student will receive a diploma cover and the diploma will be available within four weeks following the ceremony. Following certification of completion of all requirements, students may pick up and sign for their diploma in the Office of Academic Services and Registrar. Or, the diploma will be mailed to the address specified on the Application for Degree. An announcement will be made indicating when diplomas are available.

The diploma will be held for eight weeks. A student with a hold will not receive a diploma until the appropriate department removes the hold and the Office of Academic Services and Registrar is notified by the department placing the hold.

Although we exert every effort to ensure that diplomas are correct, students should review the diploma carefully and advise our office immediately of any discrepancies.

NOTE: A request submitted for a name change after the graduation/degree audit will not be changed prior to commencement, and there will be a charge to order another diploma (\$30.00 for the bachelor's and \$40.00 for the specialist and master's degrees).

DIPLOMA HOLDS

Neither your diploma nor your transcript will be released if you have outstanding financial obligations to the university. It is your responsibility to clear any holds or financial obligations.
