

ARTICULATION AGREEMENT

Albany State University
&
Southern Regional Technical College

Associate of Applied Science Degree in Early Childhood Education
May 2016

PURPOSE: Albany State University (ASU) and Southern Regional Technical College (SRTC) agree that students who choose to transfer from a technical college to a senior college or university to earn a bachelor's degree should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. ASU and SRTC, therefore, agree to enter into this curriculum articulate agreement for students who complete the Associate of Applied Science in Early Childhood Education at SRTC and transfer to ASU to complete the Bachelor of Science in Early Childhood Education. Both institutions enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

TERMS: Albany State University (ASU) and Southern Regional Technical College (SRTC) agree that any student who has successfully completed the minimum requirements of courses outlined in the corresponding articulation tables may transfer the course credits indicated toward a Bachelor of Science in Early Childhood Education at Albany State University. Students who follow this articulate program agreement must apply and be admitted to ASU. SRTC students will receive equal consideration as other students seeking admissions and financial aid. The bachelor's degree graduation requirements for students who follow this articulate program agreement are listed in the applicable ASU catalog as displayed in the *ASU Catalog* on the University website. Courses approved for transfer are listed in the attached articulate guide tables.

Students are required to complete an entry level occupational work ethics course while enrolled in courses marked with a 0.

Students are required to complete a capstone occupational work ethics course while enrolled in courses marked with a 0.

EARLY CHILDHOOD CARE AND EDUCATION

Associate of Applied Science Degree

Program Description: The Early Childhood Care and Education associate of applied science degree program is a sequence of courses designed to prepare students for a variety of careers in the field of early childhood education. The program emphasizes a combination of early childhood care and education theory and practical application as well as general core competencies necessary for successful employment. Graduates have qualifications to be employed in early care and education settings including child care centers, Head Start, Georgia Pre-K programs, and elementary school paraprofessional positions.

Student Learning Outcomes:

- Students will create a Developmentally Appropriate Thematic Unit.
- Students will create an Exceptionalities Resource File.
- Students will create a Behavior and Management Resource File.
- Students will teach using Developmentally Appropriate Practices (DAP).

Program Offered at the Following Sites: Cairo, Moultrie-Veterans Parkway, Thomasville, and Tifton

Length of Program: Six (6) Semesters

Entrance Date: Beginning of each Semester

Entrance Requirements: Refer to Admissions criteria.

Age: Applicant must be 16 years of age or older.

Education: An applicant must be a high school graduate or the equivalent (GED). College transcripts will be evaluated on an individual basis.

Advisor: A program advisor should be consulted prior to enrolling in any course. An advisor will be assigned by admissions.

Note: Students with a Child Development Associate (CDA) credential, current CPR certification, current First Aid certification, and a letter from their employer stating that they are currently employed in the childcare industry will be exempted from ECCE 1101, ECCE 1103, and ECCE 1105.

Criminal Background Check: In accordance with HB 401, effective May 1, 2015, all ECCE students will be required to complete a Criminal History Records Check and receive a satisfactory determination from the Georgia Department of Early Care and Learning in order to be placed in a child care learning center, group day-care home, or family day-care home. An unsatisfactory determination can affect completion of the ECCE program as the student would not be able to be placed for Practicum and/or Internship.

Program Final Exit Point: Early Childhood Care and Education, Associate of Applied Science.

Credits Required for Graduation: 75 minimum semester hour credits required for graduation.

AGREEMENT REQUIREMENTS:

1. Students must complete the Associates of Applied Science in Early Childhood Education program at SRTC and the program of study for a Bachelor of Science in Early Childhood Education program at ASU as indicated in the articulation guide. Any course substitutions should be made with the guidance of an advisor or counselor to assure that all requirements are met.
2. Transfer students will be required to complete all Albany State University's general education (core) requirements that have not been satisfied in the Articulation Agreement.
3. Students who transfer to ASU from SRTC must complete at least 35 semester hours at ASU. Thirty of these hours must be completed in the upper division course work appropriate to the program.
4. Only courses with a grade of "C" or better will be accepted for transfer to ASU. A course completed with a grade of less than a "C", if counted toward graduation at SRTC, will not transfer to ASU for academic credit and must be repeated if it is a requirement for the ASU Bachelor of Science in Early Childhood Education program.

AGREEMENT ON COMMUNICATION:

Albany State University (ASU) and Southern Regional Technical College (SRTC) agree to cooperate in communicating with each other and with their common and respective publics concerning the established relationship between the two institutions. Communication may include the development of various kinds of publications to inform those who will benefit personally or professionally from the opportunities provided by this agreement. Faculty and staff at both institutions will share the information in this agreement with interested and qualified students, and both institutions will provide counseling and advising to students and prospective students.

MAINTENANCE AND REVIEW PROCEDURES

At least one administrator or faculty member from each institution will be appointed to act as agents for the implementation of this agreement, to speak for the institutions, and to communicate changes to respective faculty members, advisors, counselors, and others to whom the information is pertinent. Responsibility for oversight of this agreement rests with the Registrar at Southern Regional Technical College and the Registrar at Albany State University.

Both parties agree to communicate annually any changes in the respective programs that may have an effect on this articulation agreement. During the third year, both parties will review the agreement for revisions and possible renewal. If the agreement is not renewed by the end of the effective period, student engaged in the articulation program as a currently enrolled ASU student prior to termination of the agreement will be given five (5) additional years to complete the degree under terms of this agreement.
