

RAM RUSH

The City of Albany Transit has a contract with Albany State University (ASU) to provide "Ram Rush" bus transportation for students, faculty, and staff. This service provides public transportation from the Radium Campus to the Gillionville Campus. Any student enrolled at ASU with a valid student ID card can ride any Albany Transit System bus route for free. This route is also available to the general public at the normal bus fare.

There are three bus stops on both the Gillionville Campus and the Radium Campus totaling six stops. The hours of operation are Monday through Friday 6:00 a.m. to 9:00 p.m. and Saturday from 8:00 a.m. to 2:00 p.m. Students are encouraged to download the Route Shout 2.0 app for bus information, such as times and location for all bus routes. Available on iTunes and the Android App Store.
