The University will provide students with notice of any such changes as early as possible before the beginning of each new semester/summer term; however, meal plans and costs for each semester/summer term are subject to change without notice.

Commuter students may purchase both board and dining dollar plans throughout a semester. There are no deadlines for adding meal plans for commuter students; however, meal plans do not roll over from semester-to-semester. Any meals left at the end of each semester are forfeited. A new meal plan must be requested each semester, if desired. Any unused dining dollars that remain at the end of each semester are refunded 30 days from the last day of the semester.
