

OFFICE OF ADMISSIONS

Dear Potential Darton Student,

You're thinking about college – and we're thinking about you! Everything about Darton College – our students, classes, teachers, campus, student activities and support services – is designed to change your life.

Our student body is unusually diverse, so you'll see the world from new perspectives. Our professors treat students as individuals, so you'll receive the attention and support you need. Our student activities are abundant, so you'll be included in a rich and rewarding campus life from your very first day.

It doesn't hurt that Darton College offers what any top community college should offer: state-of-the-art technology, small classes, more intercollegiate athletic teams than any other two-year college in the state of Georgia, high pass rates for national certification exams, and successful transfer to four-year institutions.

Browse our website at www.darton.edu to learn about our admissions policies, financial aid, academic programs, course offerings, distance learning options, student support services, and more. Come visit our beautiful campus. What is most important to us is you, and we want you to expect success at Darton.

Sincerely,

A handwritten signature in dark ink, appearing to read "Teresa Carroll", is positioned above the printed name.

Teresa Carroll
Director of Admissions
