

**FOREIGN LANGUAGE (0023)**  
**Humanities Division**  
**RECOMMENDED COURSES FOR TRANSFER**  
**ASSOCIATE OF ARTS DEGREE PROGRAMS**

This degree program is also available as an online degree program. See the description of the online program of study at <http://online.darton.edu/>

**Area A**

**Essential Skills - 9 Hours**

ENGL 1101	English Composition I	3
ENGL 1102	English Composition II	3
MATH 1001 or	Quantitative Skills and Reasoning or	
MATH 1111	College Algebra or higher math	3

**Area B**

**Institutional Options - 4 Hours**

The following courses are recommended, but other Area B courses are allowed.

POLS 1105 or	Current World Problems or	
INED 2902 or	International Perspectives or	
MYTH 1000 or	Introduction to Mythology or	
PHIL 1101	Critical Thinking	1-2

The following course is recommended but other Area B courses are allowed.

Foreign Language	Elementary I Foreign Language	
1001		3

**Area C**

**Humanities And The Fine Arts - 6 Hours**

The following courses are recommended, but other Area C Literature courses are allowed. [See Core Curriculum, Area C.](#)

ENGL 2111 or	World Literature I or	
ENGL 2112	World Literature II	3

The following course is recommended, but other Area C Humanities/Fine Arts courses are allowed. [See Core Curriculum, Area C.](#)

COMM 1110	Public Speaking*	3
-----------	------------------	---

**Area D**

**Science, Mathematics, And Technology - 11 Hours**

Lab Science	<a href="#">See Core Curriculum, Area D, Lab Sciences.</a>	8
-------------	--	---

The following courses are recommended, but other Area D Math/Technology courses are allowed.

MATH 1112 or	Trigonometry or	
MATH 2205	Introduction to Statistics	3

**Area E**

**Social Science - 12 Hours**

POLS 1101	American Government in World Perspective	3
HIST 2111 or	U. S. History Through 1877 or	
HIST 2112	U. S. History After 1877	3
HIST 1111 or	Survey of World History I or	
HIST 1112	Survey of World History II	3

The following courses are recommended, but other Area E Social Science courses are allowed. [See Core Curriculum, Area E, Social Science.](#)

ANTH 1103 or	Introduction to Cultural Anthropology or	
GEOG 1101 or	Introduction to Human Geography or	
POLS 2401 or	International Politics or	
PSYC 1101	General Psychology	3

**Area F****Courses Related To The Major - 18 Hours**

Foreign Language 1001	Elementary I Foreign Language	3
Foreign Language 1002	Elementary II Foreign Language	3
Foreign Language 2001	Intermediate I Foreign Language	3
Foreign Language 2002	Intermediate II Foreign Language	3
Choose two of the following courses:		6
ENGL 2111 or	World Literature I or	
ENGL 2112 or	World Literature II or	
ANTH 1103 or	Introduction to Cultural Anthropology or	
COMM 1110 or	Public Speaking or	
GEOG 1101 or	Introduction to Human Geography or	
PHIL 2205 or	Introduction to Philosophy or	
ART 1100 or	Art Appreciation or	
FIAR 2250 or	Humanities through the Arts or	
MUSC 1100 or	Music Appreciation or	
THEA 1100 or	Theatre Appreciation or	
HIST 1111 or	Survey of World History I or	
HIST 1112	Survey of World History II or	
SPAN 2003	Intermediate Spanish III	

**Area G****Physical Education – (1 – 4 courses)\*\***5-8

One course per semester of full-time enrollment

**SPANISH MEDICAL LANGUAGE CERTIFICATE (0540)**  
**Humanities Division**  
**RECOMMENDED COURSES FOR**  
**CERTIFICATE PROGRAM**

This program is designed for individuals working or majoring in health care related fields and provides the student with vocabulary, structures, and grammar with application in the context of health care related professions. This program offers the student basic communicative ability in listening, speaking, reading, and writing Spanish to facilitate communication with Spanish-speaking clients, as well as an introduction to aspects of Hispanic culture that may influence the Hispanic client's history, health, and/or behavior.

**HEALTH INFORMATION TECHNOLOGY (0370)**  
**Allied Health Division**  
**RECOMMENDED COURSES FOR CAREER**  
**ASSOCIATE OF SCIENCE DEGREE PROGRAM**

The associate degree program in Health Information Technology at Darton College is designed to prepare the student for entry-level employment as a health information technician who performs tasks related to the use, analysis, presentation, abstracting, coding, storage and the retrieval of health care data in manual or electronic form.

The program is accredited by the Commission on Accreditation for Health Informatics and Information Management Education.

Graduates are eligible to write the national examination given by the American Health Information Management Association. Upon successful completion of the examination, the health information technician is awarded the professional credential of a registered Health Information Technician (RHIT) by the American Health Information Management Association.

**This program begins once a year in the fall semester. Applications are accepted January 1 to May 31 for consideration.**

**Admission Requirements:**

To be considered for admission to the Health Information Technology program, the Darton student must:

1. Complete all required Learning Support courses.
2. Complete all pre-requisite courses with a "C" or better.
3. Have a minimum GPA of 2.0.
4. Complete and submit an application for admission to the program to the Program Director.

**Additional Requirements:**

1. Once students are registered for classes, but before admitted to the program, they should access Online Learning on the Darton website for orientation to online system requirements.
2. Students with 2 unsuccessful attempts in program course are ineligible for program re-admission. Withdrawing from an HITE course is considered an unsuccessful attempt. A course grade of "D" or "F" is considered an unsuccessful attempt.
3. High speed internet connection is highly recommended for optimal use of AHIMA's Virtual Lab applications.
4. Professional liability insurance is required. The cost of this insurance is approximately \$17.50 per year.
5. Because of the nature of the profession, the student is required to sign and abide by a statement that the student will honor the confidential nature of health/medical records. A charge of breach of confidentiality will be treated according to the procedures outlined in the Student Handbook, "Code of Conduct."
6. Student membership in the American Health Information Management Association is recommended. The cost of student membership is \$35 per year.

7. A student may be denied permission to continue in the program if, in the opinion of the faculty, the Chair of Allied Health, and the Vice President for Academic Affairs, the student does not demonstrate the necessary qualifications for a health information technician.
8. To satisfactorily complete the curriculum and to develop the skills required of an entry level health information technician, the student must demonstrate:
  - a. Visual Acuity (with or without corrective lenses): to read paper, microfilm, and electronic documents.
  - b. Physical Ability: to process reports and records, to operate equipment necessary for record keeping (for example, manually operated filing equipment, printers, microfilm reader/printers, computer keyboard), and to move about in space limited by compacted filing.
  - c. Manual Dexterity: to perform the fine motor functions necessary to document analysis of records (i.e., must use pens, pencils, and manage papers), and to operate electronic equipment (i.e., computers, word processors).
  - d. Hearing (with or without aids): to hear the spoken voice in order to be able to respond verbally.
9. The student must abide by the policies and procedures of the Health Information Technology Program as defined by the Program Handbook.

**For additional Allied Health Division policies that apply to this program, please refer to [Academic Regulations, Section Q - T](#),**

**HEALTH INFORMATION TECHNOLOGY (0370)**  
**Allied Health Division**  
**RECOMMENDED COURSES FOR CAREER**  
**ASSOCIATE OF SCIENCE DEGREE PROGRAMS**

Students may declare Pre-HIT major upon college enrollment for the purpose of advisement while completing pre-requisite course work. However, declaring this major does not guarantee admission to the HIT Program.

**Pre-Requisites:**

Completion of all required Learning Support courses as identified by the college admissions process.

**MEDICAL CODING (0563)**  
**Allied Health Division**  
**RECOMMENDED COURSES**  
**FOR CERTIFICATE PROGRAM**

Medical coders review patient medical (health) records and assign numeric codes for each diagnosis and procedure. To perform this task, they must possess expertise in the International Classification of Diseases and Current Procedural Terminology coding systems. This certificate program is designed to prepare the student for an entry-level position as a medical coder.

This certificate program begins once a year in the fall semester. Applications are accepted between May 1 and July 31.

**Requirements:**

The student must complete any Reading and English Learning Support area requirements, all pre-requisite courses, and be accepted into this program before beginning any HITE classes. A GPA of 2.0 is required in order to be accepted and the student must achieve a grade of "C" or better to remain in the program. *Darton College Code of Conduct Policies related to Disruptive and Obstructive Behavior will be enforced in an online program just as it would be in a traditional classroom. Exhibit of such behavior may result in dismissal from the program.*

**HUMAN SERVICES TECHNOLOGY (0371)**  
**Business/Social Science Division**  
**RECOMMENDED COURSES FOR CAREER**  
**ASSOCIATE OF SCIENCE DEGREE PROGRAMS**

The associate degree program in Human Services Technology at Darton College is designed to prepare entry level human service workers to function as direct care providers in mental health, addiction/substance abuse, gerontologic, and other existing and/or emerging human service settings. Graduates are trained to work as collaborative team members under professional supervision and function in the core roles of service provider, service coordinator, and advocate.

This program is accredited by the Council for Standards in Human Service Education. For additional information, please contact CSHSE at:

Council for Students in Human Service Education  
Susan Kincaid, VP Program Accreditation  
Western Washington University – Dept. of Human Services  
516 High Street  
Bellingham, WA. 98225 (360) 650-3531

The Human Services Technology Program provides a three dimensional focus on theoretical knowledge, applied competencies, and clinical/field experience. All students must satisfactorily complete a sequenced core curriculum in Human Services. Once this sequence is completed, students can choose a specialty track. The options are Community Health/Mental Health Worker or Addiction/Substance Abuse Counselor. Each option includes fieldwork experience appropriate to the specialty choice.

One class will be admitted per year. The application deadline for Fall Semester enrollment is August 1. Students may enroll on a part-time or full-time basis; the time required to complete the degree will depend upon the number of credits taken each semester. Since the core professional curriculum in Human Services is sequenced, courses are only offered once a year at designated times. Based on availability of faculty and student need, some classes may be offered both day and evening. Course selection and registration for these classes should be done after a personal meeting with the faculty advisor. However, once a student chooses a specialty track, 6 to 18 hours of practicum experience per week in local human service facilities are required. Approximately 500 clock hours in field work settings comprise the total program experience.

Graduates in Human Services receive an Associate of Science degree in Human Services Technology. They will be prepared to obtain jobs in settings related to their specialty track or to continue their education toward a Bachelor's Degree in areas such as human services, social work, psychology, sociology, rehabilitation counseling, and mental health technology. Students who are interested in a four-year degree should consult with the Human Services Program Director prior to registering for coursework each semester. These advising sessions will maximize the number of courses taken at Darton that will transfer to another institution.

**Admission Requirements:**

To be eligible for admission to the Human Services Technology program, the student must have completed English 0099 and Reading 0099, if applicable, and meet the following conditions:

1. SAT scores are not required; however, traditional students submitting SAT scores with 430/verbal and 400/math may exempt the COMPASS placement test. All required learning support must be completed prior to entering the program. Transfer students must have a GPA of 2.0 or nine semester hours of related courses at Darton with a GPA of 2.0. Students with a degree from an accredited college or university may enroll in Human Services Technology courses, providing prerequisites are met.

2. The student must complete an application packet to the Human Services Technology Program. This application includes an essay by the student on her/his interest in and understanding of human services and her/his professional goals.

**Re-Admission of Returning Students:**

Any student who fails a HUST or ALHE course will not be able to continue onto the next semester of HUST courses. If this is the student's first failure, the student may re-apply to the HST Program and, if accepted, placement of the returning student will be determined after previous coursework has been evaluated by the program director. Courses more than two years old will have to be repeated. More than one "D" and/or "F" in HUST or ALHE courses will result in permanent dismissal from the program. (This may be two courses or failure of the same course twice.)

The HST program reserves the right to discontinue, at any time and as the result of a 3 step process, the enrollment of a HST student if, in the judgment of the Vice President for Academic Affairs, the HST faculty, and the chair of the Business/Social Science Division, the student does not appear to have the necessary qualifications for a career as a HST.

**Additional Requirements:**

1. Proof of hepatitis B vaccination series, an up-to-date immunization record, and annual TB testing are required prior to enrolling in the first practicum experience.
2. A minimum grade point average of 2.0 is required in each Human Services course for graduation from the program. If a grade less than "C" is received the course must be repeated.
3. A fee of approximately \$17.50 is required to provide liability insurance coverage for the practicum and field work experiences, and is included in student fees.
4. The student is expected to provide transportation to and from any fieldwork site and/or arrange for living accommodations.
5. Prior to the first practicum experience, the student will be expected to successfully complete a CPR course (provided by the Division of Social Science faculty).
6. Prior to the first practicum experience, the student must sign a statement that she/he will maintain confidentiality in matters relating to clients.
7. To satisfactorily complete the curriculum and to develop the skills required of an entry level human services technician, the student must be able to:
  - a. complete required documentation in written or recorded format for effective job performance,
  - b. hear the spoken voice (with or without auditory aids) or "hear" through lip-reading or sign language,
  - c. be independently mobile with or without the aid of assistive devices.
8. Graduates of the program must demonstrate their ability to communicate effectively in a variety of settings; to function in a warm, empathic, non-judgmental fashion with a diversity of clientele; and to recognize ethical and professional limitations in their relationship with clients.
9. Students must successfully pass both the Clinical placement (50%) and the Practicum/Field Placement Seminar coursework (50%) of HUST 2150, HUST 2210, HUST 2310, HUST 2220 or HUST 2320. Failure of either applicable portion of the clinical placement or seminar coursework will result in an "F" for the course.

**RECOMMENDED COURSES FOR**  
**CERTIFICATE PROGRAMS**

This certificate program consists of six (6) Georgia Addiction Counselors' Association (GACA) approved courses that total to 270 clock hours of instruction. Students who complete this certificate program will meet the *academic training requirement* at the CAC-II level (Certified Addiction Counselor – Level Two) for certification in addiction counseling. The six courses are taught over a period of three semesters with two courses being offered per semester for a total of 6 semester credits and 90 clock hours each semester. Individuals who sit for the CAC Level II exam must have a Bachelor's degree.

**Admission Criteria:** Individuals who have achieved a Bachelor's Degree or higher, are either currently working in the field of addictions, or are interested in working in this field and meet the listed admissions criteria. However, individuals may also apply:

1. Exited all Developmental Studies/Learning Support classes
2. Earned at Darton or transferred credit to Darton, 90 quarter hours or 60 semester credit hours of college courses
3. Passed with a "C" grade or higher English 1101 (English Composition I) and English 1102 (English Composition II)

**TEACHER COMMUNICATION AND CRISIS SKILLS ENHANCEMENT (0572)**  
**Business/Social Science Division**  
**RECOMMENDED COURSES FOR**  
**CERTIFICATE PROGRAMS**

This certificate program will provide teachers and other professionals additional training in handling student/client crises and enhance their ability to manage student concerns and problems in general. Current teachers and any professional who wishes to develop skills in these areas are eligible to apply. All students in the Teacher Communication and Crisis Skills Enhancement Certificate must have exited READ 0099 and ENGL 0099 before taking any program courses.

Students who have been identified as needing Learning Support via the Compass Test must have exited READ 0099 and/or ENGL 0099 to enroll. Students taking on-line classes must have basic computer skills.
