General Information

Legal Residency

To qualify as a legal resident of Georgia, the applicant, if over 18 years of age, must have lived in Georgia for at least one year prior to the registration date.

If the applicant is under 18 years of age, his parents or legal guardian must have physically resided in Georgia for at least one year (12 months) preceding the registration date.

Please note that this brief explanation of the residency regulations does not encompass all the rules on residency. If in doubt about legal residence status, consult the Darton College catalog for the "Legal Resident" rules and regulations of the Board of Regents of the University System of Georgia, or contact the Registrar's Office.

Early Application Is Strongly Advised.
