C. VISION STATEMENT

Darton State College will create a more educated community, well prepared for a global, technological society, by providing first-rate undergraduate education and committed public service.

D. MISSION STATEMENT

Darton, a state college within the University System of Georgia, is focused on providing a wide diversity of constituents access to certificate, associate, and select baccalaureate programs of study. Dedicated to serving as an access institution, our College will empower students by engaging them in a student-centered, caring and technically advanced environment through innovative delivery systems. Darton is committed to providing exemplary teaching to students in our community, region, and state. As a multi-campus, residential institution, the College pursues traditional and unique mechanisms to deliver education to its richly diverse student body. In service to the community Darton State College will offer cultural enrichment experiences, continuing education, and economic development programs.

Darton State College will Identify and Implement changes to:

1. Improve the academic, personal, and professional success of all students.
2. Expand baccalaureate programs and baccalaureate program participation.
3. Expand online programs and online program participation.
4. Enhance and expand physical facilities and technological infrastructure.
