

1. **UNCONDITIONAL ENROLLMENT** into the credit transfer programs or credit career programs. Certain specialized programs have additional admissions requirements and admission to the College does not imply acceptance to these programs. Within the classification of unconditional enrollment, a student will be further classified as freshman, sophomore, joint enrollment, transient, irregular, or audit.
2. **CONDITIONAL ENROLLMENT** into Learning Support. Those students whose COMPASS test scores or comparable College Placement Examination scores indicate an academic deficiency in one or more of the areas tested are granted conditional acceptance and are required to remove all deficiencies prior to being admitted unconditionally. Scores below 74 in reading, below 60 in English and below 37 in algebra on the COMPASS test will require one or more Learning Support courses in a given deficiency area. The University System of Georgia has mandated that students who place in all 3 areas of learning support are no longer eligible for admission. Students requiring remediation must enroll in these courses first each semester before enrolling in any credit work. Students needing to satisfy CPC math requirements are required to do so by satisfactory completion of Learning Support math.
3. **PROVISIONAL ENROLLMENT** is granted to those students whose program of study requires the College Preparatory Curriculum and who are deficient in one or more areas of this curriculum. All deficiencies must be removed by the time the student earns 18 semester credit hours. Courses taken to meet deficiency requirements will not count toward the student's degree requirements and must be completed within the first 18 hours of college work. Science deficiencies may be removed by completing either BIOL 1110 or CHEM 1151; social science deficiencies may be removed by completing one of the following: HIST 1111 or 1112, HIST 2111, or HIST 2112; foreign language deficiencies may be removed by completing FREN 1001, SPAN 1001, or JAPN 1001. Grades of "C" or better are required to satisfy the deficiencies.
4. **TEMPORARY ENROLLMENT** is granted to an applicant who cannot submit all admissions material prior to the printed deadlines. Such acceptance will permit the student enrollment pending receipt of the missing information. No credits may be recorded or grades released to students attending under this category until the student's admission file is complete.

#### **E. TRANSFER OF CREDIT FROM OTHER INSTITUTIONS**

Darton State College will accept transfer credit from other regionally accredited colleges and universities. A grade of "C" or better is required, and credit is issued for equivalent courses in the student's curriculum at Darton State College. In addition, a maximum of two courses carrying grades of "D" may be transferred if they satisfy curricular requirements and if the student's cumulative transfer average is at least 2.00 by the Darton State College method of computation. No freshman English courses with grades less than "C" may be transferred.

A maximum of 42 semester hours of academic work may be transferred to Darton State College for students applying for an Associates Degree. For those students applying for a Bachelor's degree, a maximum of 91 semester hours of academic work may be transferred to Darton State College. A limited number of credits earned by correspondence may be transferred if they carry satisfactory grades and meet curricular requirements.

For new students, an evaluation of credits accepted in transfer will be furnished to the students as soon as all transcripts are received by the College. Currently enrolled students and readmitted students are encouraged to access their their unofficial Darton State College transcript via MyDC for updated transfer credits.
