

- HUST 2750 Current Trends in Addiction & Mental Health** (3-0-3)
 This course addresses contemporary issues in addictions and mental health. Emphasis is in four major areas: ethnic and cultural issues that influence diagnosis, treatment and utilization of services, special populations such as consumers/clients with HIV/AIDS; co-occurring disorders; and matching treatment services to individual client needs (i.e., brief therapy, partial hospitalization, out-patient treatment, etc.) In addition attention will be given to the following current issues in the fields: treatment issues for adolescent and geriatric consumers/clients; spiritual concerns and disciplines; gay/lesbian issues; psychopharmacology; relapse dynamics and prevention, and managed care and treatment costs.
 Prerequisite: HUST 2650, HUST 2700, HUST 2210 or HUST 2310 or permission of the instructor.
 Offered: Fall, Spring.
- INED 2902 International Perspectives** (1-2-2)
 This course is designed to enhance and enrich the educational experience of students who travel abroad in a program sanctioned by Darton State College. It will provide students with an introduction to the culture(s) to be visited, an understanding and appreciation of the importance of the specific sites on the itinerary, and orientation to some of the cultural/social/political issues specific to the area. This course requires 30 academic hours of instruction.
 Prerequisite: None.
 Corequisite: Enrollment in (one of) the travel abroad program(s) sanctioned by Darton State College.
 Offered: On demand.
- INED 2903 International Perspectives** (2-2-3)
 This course is designed to enhance and enrich the educational experience of students who travel abroad in a program sanctioned by Darton State College. It will provide students with an introduction to the culture(s) to be visited, an understanding and appreciation of the importance of the specific sites on the itinerary, and orientation to some of the cultural/social/political issues specific to the area. This course requires 45 academic hours of instruction.
 Prerequisite: None.
 Corequisite: Enrollment in (one of) the travel abroad program(s) sanctioned by Darton State College.
 Offered: On demand.
- ISCI 2001 Foundations of Life/Earth Science** (2-2-3)
 This course is an Area F science course for early childhood education majors. This course will emphasize the understanding and use of the major concepts of life and earth science, including the characteristics and interdependence of life, and the major earth systems. As a general theme, strategies of investigating science will be used and discussed in the context of various topics.
 This course may only be used as an Area F course for Early Grades Education Majors.
 Prerequisites: Successful completion of one Area D Science Course.
 Corequisites: None.
 Offered: All semesters.
