

Department of Visual and Performing Arts
Albany State University Dance Minor

Overview:

The minor in dance consists of 15 credit hours of DANC course work. Nine credit hours must be completed at the 3000-4000 course level.

Audition:

Acceptance into the dance minor program is by audition. To be eligible for the audition, prospective minors must be enrolled in a ballet or modern dance technique class. The audition class will be held prior to, or during the drop/add period to allow for proper class level placement, and schedule adjustment, when possible. The specific audition date will be announced on the first day of classes.

Course offerings:

Some DANC courses are only offered in the fall or spring semesters. Students declaring a dance minor in their junior or senior years should keep this in mind.
