I. Describe what your cooperating teacher did during the preplanning days to identify and prepare for the needs of individual students. This assignment should be submitted in LiveText before the beginning of the semester.

Correlated Conceptual Framework Principles

What activities did you and the cooperative teacher participate in to demonstrate the following?

• Technology-Component Practitioner

 The teacher understands how children learn and develop, and can provide learning opportunities that support their intellectual, social and personal development with the use of technology.

#### Professional Educator

- The teacher uses an understanding of individual and group motivation and behavior to create a learning environment that encourages positive social interaction, active engagement in learning and self-motivation. The teacher uses knowledge of effective verbal, nonverbal, and media communication techniques to foster active inquiry, collaboration, and supportive interaction in the classroom.
- Culturally-Responsive Practitioner
  - The teacher understands how students differ in their approaches to learning and creates instructional opportunities that are adapted to diverse learners.
- Reflective Practitioner
  - The teacher is a reflective practitioner who continually evaluate the effects of his/her choices and action on others (students, parents, and other Professionals and who actively seeks out opportunities to grow professionally.

## II. Describe what the teacher did during the first week of school once the P-12 students returned to:

- Establish a positive learning environment for all students.
- Implement and inform the students regarding classroom rules or procedures.
- Determine academic readiness of his/her individual students.
- Other activities that you thought were important? For example, the solicitation of information (students questionnaire, parental feedback, etc.) to help the teacher know more about the individual students.

#### III. Reflection

A statement of reflection about what you think this set of experiences has meant to you, what you liked, what you would do differently, what you would recommend for future candidates, etc.
