

## Individual Supervision Hours

*Individual supervision is time spent with a student's approved supervisor. Supervision includes one hour per week of individual and/or triadic supervision (triadic supervision includes the approved supervisor, the Albany State University student, and one other student. Only three people total can be present.)*

**Minimum hour requirement: 1 hour per week for the entire A-term semester**

- Hours with an unapproved supervisor will not count.
- Students must maintain supervision throughout the fieldwork experience, as this is an ethical and professional responsibility.
