Major Tasks for Committee Tracker from Final Planning Document and Recommendations

Task: Merge or Retain Separate Alumni Associations

Recommendation and/or Action Taken: It is the recommendation of the Alumni Affairs Operational Working Group to consolidate both alumni associations into one alumni association for the new Albany State University.

Other/Final Comments (if any):

Structuring the Alumni Association by colleges – College of Business, College of Education, Darton College of Health Professions, etc – or by groups – The 1966 Club (Darton Alumni) and The 1903 Club (Albany State University) – for alumni to still have a link with the institution they attended, but also be included in the overall Alumni Association.
