Approved Recommendations

- 1. Recommends that faculty seniority be based on Academic Rank, Years of service at current rank, and then alphabetically (if rank and years of service are same). Tenure nor Education Level are involved in our ranking system for seniority.**
- 2. Recommends that the representative for each Regents Academic Advisory Committee should be selected according to that body's bylaws, usually being the most relevant academic administrator (Dean or Chair) for the discipline concerned, or the administrator's designee with relevant expertise. Where bylaws are not posted or do not specify a selection process, the representative should be the most relevant academic administrator (Dean or Chair) for the discipline concerned, or the administrator's designee. When more than one Department, School or College covers the disciplinary area, generally the next higher level administrator(s) should select a representative with relevant expertise.**
- 3. Recommends that People Admin software be utilized in Human Resources.**
- 4. Recommends that Academic Affairs will continue to issue offer employment letters, contracts, MOUs, and letters of understanding.**
- 5. Recommends that all files containing faculty and staff academic transcripts and personnel records will be transferred to the physical location of the new ASU's VPAA's office when consolidation occurs.**
