

OWG 72 Preserving Traditions and History
Approved Recommendations

- 1. Recommends that the history of the ASU Alma Mater and artifacts pertaining to its history be preserved in the archives of the new ASU.**

- 2. Recommends that the archives be centralized on the ASU-East campus to maintain service levels and increase access to students through redirecting the workflow of the ASU/DSC libraries.**

- 3. Recommends that the building history and new buildings projects be established to identify and promote key issues and items important in the ASU & DSC history.**

- 4. Recommends that a digital/video presentations be created as an alternative link to making history come alive in the new ASU on the library's website regarding the consolidation of the two units.**

- 5. Recommends that the history of special events be documented and preserved in the new ASU archives.**
