

Community/ Fine Arts Experience Instructions

Purpose

Engaged Golden Rams are not only connected to our University Community, they are also closely connected to Southwest Georgia. The purpose of this assignment is to help students learn about resources available to them in the local community. Additionally, students will discuss the importance of Arts in the learning process.

Procedure

Students must attend (and document their attendance) one of the following:

- The Albany Civil Rights Institute
- The Symphony
- The Albany Museum of Art
- A campus community-service event

**Online students that may not have access to Albany Georgia are permitted to identify places like those mentioned above to complete their assignment. Sites other than those listed above must be approved by the ASU 1101 instructor.*

Documentation of the visit can consist of one or more of the following:

- Original programs and/or flyers collected from the event with a date and/or time listed for the visit
- Photographs of the student at the event/ location
- A one-page description of the visit

Grading Criteria

Student submissions will be graded as either pass or fail based upon completion.
