

**Darton State College Bookstore  
Bookstore Agreement  
Move on When Ready Program  
Spring Semester, 2016**

Darton State College shall provide through the Darton State College Bookstore access to textbooks for students enrolled in courses at Darton State College through the Move on When Ready Program. As prescribed in the Move on When Ready Program Regulations-1600 for the 2015-2016 Award Year, the type of access shall be determined by the College and will be provided at no cost to the student provided all policies and procedures set forth by the College for distribution and return of the textbooks are followed.

Students are required to take two documents to the bookstore each time books are purchased or exchanged.

1. A signed MOWR Bookstore Agreement,
2. A copy of his/her schedule with authorization by the MOWR Coordinator to purchase textbooks.

Books will not be pre-packaged for the students. The MOWR student will follow the same process as all college students when going to the bookstore to purchase books. Assistance will be given to locate the correct textbooks for the courses in which the student is enrolled. The books will be taken to the point-of-sale location for processing and charging to the MOWR student account.

Should a MOWR student drop a course and need to return the textbook, the student must present to the bookstore a copy of the schedule showing the dropped course and authorized by the MOWR Coordinator.

**No returns, purchases, or exchanges will be made in the bookstore with the authorization/signature/stamp of the MOWR Coordinator.**

Textbooks provided through the OER Program are accessed through the Online Learning Environment, GeorgiaView (D2L). The course instructor will assist in locating the materials. An OER textbook is in digital format. Should the student opt to upgrade to a hard copy of the textbook, the student may purchase a copy from the bookstore.

Course materials/textbooks may be in the form of an OER (Open Educational Resource) textbook, used book, new book, digital textbook, rented used book or rented new book. A MOWR student may elect to upgrade to a higher level of textbook than that offered by the College for a particular course, but the student will be responsible for payment of the additional cost of the upgrade beyond the cost of the textbook offered by the College.

Students will secure and sign for course materials at the beginning of the semester at the bookstore and return all materials to the bookstore at the designated time and location. If all materials are not returned to the bookstore within the designated time frame, lost or damaged, the MOWR student will be charged in accordance with MOWR policy—non-returned, damaged/lost book payment will be the bookstore cost less the credit hour allowance. **The student's records will be frozen and the student will not be allowed to register/continue coursework the following semester until the fines have been paid.** All lost or damaged book fines must be paid at the Cashier's Office in the B.R. Tilley Academic Services Building, Building K. **Book return for Spring Semester, 2016 will be May 3-4 in the Darton State College Bookstore.**

By signing below, I affirm that I have read and agree to the policies outlined in the Darton State College Bookstore Textbook Agreement for the Move on When Ready Program.
