

LIABILITY RELEASE, WAIVER, AND COVENANT NOT TO SUE

I hereby acknowledge that _____ (hereinafter referred to as "Student") will be participating in the Move On When Ready (MOWR) Program. When Student registers to take classes at Darton State College (hereinafter "Darton"), it is recommended that Student only receive guidance regarding the appropriate courses to take in preparation for both High School graduation and future matriculation into college from either a Darton Advisor(s) or Student's High School Counselor (hereinafter "Official Advice"). Any advice received from anyone besides a person employed by either Darton or the Student's high school may result in Student not graduating high school, having to pay out-of-pocket for one or more courses, taking courses unnecessary for obtaining needed credits for graduation or a future college academic program, etc.

I acknowledge that if Student accepts any advice or recommendations other than Official Advice, Student is voluntarily, freely and knowingly assuming the risk of any negative academic outcomes including but not limited to the potential problems identified above.

I therefore agree to assume and take on myself all of the risks and responsibilities in any way associated with the receipt of anything other than Official Advice, and in doing so I release Darton (and the State of Georgia, the Board of Regents of the University System of Georgia, employees, and agents) from any and all liability, claims, and actions that may arise from injury or harm to me related to any decisions made regarding my academic program and progress due to anything other than Official Advice from the Darton Advisor(s). I understand this Release covers liability, claims, and actions caused entirely or in part by any acts or failures to act of Darton (or the State of Georgia, the Board of Regents of the University System of Georgia employees, and agents) including but not limited to failure to supervise the academic progress of student due to Student's reliance upon anything other than Official Advice from Darton Advisor(s). I recognize this Release means I am giving up, among other things, rights to sue Darton, (or the State of Georgia, the Board of Regents of the University System of Georgia, employees, and agents) for injuries, damages, or losses I may incur due to my reliance on anything other than Official Advice from Darton Advisor(s).

I have read this entire Release. I fully understand it and I agree to be legally bound by it.
