**PARENT/ GUARDIAN AFT PERMISSION/ RELEASE FORM**

I understand that my son/daughter may participate in the 2018 Academy for Future Teachers. I give my son/daughter permission to participate in all program activities including field trips, internet activities and other extracurricular events which the Academy for Future Teachers deem necessary. During the extended course of the program, Academy for Future Teachers may publish brochures, newsletters and other materials for information and publicity. Survey data will also be collected for research purposes.

I hereby consent to my child's name, likeness, pictures, or voice being used by the university, AFT, the school system or in the media. I also give permission for my child to be surveyed for the purpose of research. I support my son/daughter in his/her learning and release the Academy for Future Teachers, my child's school system and Georgia State University of any medical or legal liability.

I understand that my son/daughter is expected to attend the summer academy daily and to be on time to every scheduled class. He/she is only allowed one (1) excused absence. Late Arrivals: Any student reporting to the academy after 8:30 AM is considered tardy. Three tardies equal the only excused absence permitted. Students with more than 3 tardies will automatically be withdrawn from the program. Students are expected to schedule all appointments after 1:00 PM. A note must be given to the site coordinator or designee prior to or on the day of any early dismissal along with a parent/guardian signature and a working guardian phone number for verification. Any student who leaves the site prior to instructor dismissal and without permission will be withdrawn from AFT 201 with no further warning. AFT will not accept responsibility to return students to campus early on field trip days. Every effort is made to have them back on campus by 1pm.

I understand that there is a \$150 stipend associated with my child's successful participation in the program. This stipend will be paid to students who attend according to the rules stipulated and fully complete all assigned work.

I understand that my son/daughter is expected to behave in accordance with school and university rules and regulations on and off campus. Rules around in-class use of cell phones, electronic devices, consumption of food/beverages and chewing gum may be set by the instructor. Serious misbehavior such as disrespect to faculty or staff, use of obscene language, cutting classes, gambling, leaving class or school without permission, carrying or possessing knives and/or other weapons, and deliberate acts of vandalism, will result in withdrawal from AFT 2018.

**AFT STUDENT CODE OF BEHAVIOR AND RELEASE FORM**

**Dress:** I understand that appropriate dress, neatness, and cleanliness are expected of all students. Any article of dress that distracts or draws unfavorable attention or threatens health or safety is considered out of order. Inappropriate dress may result in the student being sent home and counted absent for the day. Appropriate dress will be strictly enforced for specific activities such as practice teaching days.

**Attendance:** I understand that –in order to receive my stipend - I am expected to attend and participate fully in all AFT activities and to be on time to every scheduled class. Absences are strongly discouraged with no more than one permitted. I understand that more than one absence could revoke my stipend. I will communicate early and provide notice and/or documentation around any absence.

**Late Arrivals:** Any student reporting to AFT after 8:30 AM is marked tardy. Three tardies constitute one absence. I understand that AFT may revoke my stipend for the equivalent of more than one absence. Extended tardies also put my stipend at risk.

**Early Dismissal:** Students are expected to schedule all appointments after 1:00 pm. Because of field trips and activities all over ASU, students may not be available for pick-up on short notice. A note must be given to the Team Leader prior to or on the day of the early dismissal *along with a parent/guardian signature and a guardian working telephone number for verification*. Any student who leaves program activities prior to instructor dismissal and without permission may be withdrawn from the AFT 2018 with no further warning and will lose their stipend.

**Stipend:** I am aware that there is a \$150 stipend associated with my successful completion of the AFT 2015 program. This stipend is paid only to students who attend according to the rules, participate in all activities, complete assigned work, and provide necessary documentation.

I understand that I am expected to behave in accordance with school rules and regulations on and off campus. Rules around consumption of food/beverages and gum in the classroom will be set by the instructor. Serious misbehavior such as disrespect to faculty and staff, use of obscene language, cutting classes, gambling, leaving class or school without permission, carrying or possessing knives and/or other weapons, and deliberate acts of vandalism, will result in withdrawal from the AFT 2018.

I agree to turn off my cell phone, I-Pod, I-Pad, and any other electronic item during ALL AFT classes and AFT events. I will be given breaks during the morning to check calls and messages. AFT faculty and staff have final authority around use of these devices and may collect and retain them until class is dismissed without further warning if they are a distraction to me or those around me.

I understand by submitting this application, I agree to the above code of behavior and release form.
