School Counseling Program Receives its International Honor Society

The Albany State University School Counseling Program received its chapter charter, Alpha Sigma Rho from Chi Sigma Iota (CSI) International Honor Society Inc., in February, 2015. CSI is an honor society that values academic and professional excellence in counseling. As members of Alpha Sigma Rho CSI chapter, the Albany State University School Counseling program students and alumni stand to have prestigious recognition nationally and internationally for illustrating academic excellence throughout their tenure in the School Counseling program. Membership into this prestigious organization requires that individuals **must be invited** to submit an application. Upon successful acceptance of the individual's application the individual is inducted into the Society.

SCP Current Student Survey

Each year the SCP reviews the program for ways to improve. One way in which program changes are guided is by our students' feedback. The Counseling Program Faculty at Albany State University invites currently enrolled SCP students to participate in a brief survey regarding your experiences in the School Counseling Program at Albany State University. The results from this survey will be shared with the program Advisory Committee and used to improve the Counselor Education Program.

You will receive the survey link in your university mailbox. Read all the instructions and complete all questions to the best of your abilities. The survey will take approximately 15 minutes to complete. If you have any questions or concerns regarding this survey please contact, Dr. Quiteya Walker, the Counseling Program Coordinator at quiteya.walker@asurams.edu.

Are you interested in professional presentations or publications? Please submit your proposals to Dr. Walker or Dr. Edwards-Joseph two weeks prior to the conference submission deadline for review.
