**Building Pathways to
Academic Success.**

Program

Albany State University's Summer Success Academy helps incoming freshman accepted into the access to pathway program develop meaningful learning habits, providing a jump-start to a successful academic career.

The Academy gives students the opportunity to complete eight (8) college credit hours in a supportive environment prior to their first fall college semester.

Students work with highly effective faculty and tutors to start their college experience off strong, integrating them into ASU's community of engaged learners.
