

MOWR Registration Process

1. **Register for classes.** When you have been accepted into Albany State University, you will receive a letter notifying you. You cannot register for courses until you have been accepted to the program and taken care of all holds. **If this is not your FIRST semester, you will receive a letter notifying you of when to register for classes for the coming semester. You will need to complete another Student Participation Agreement (SPA) with your counselor and bring it to your registration appointment (this form must be completed each semester before registration).** You can email kristin.speegle@asurams.edu or call 229-317-6942 to schedule a registration appointment. MOWR students can register early (during web registration time), so be sure to get all of your paperwork set early!

Assessing course schedule:

1. Go to www.asurams.edu
2. Click on students (located on the top left hand side in the gray shaded area).
3. Scroll down click Banner Web for Fall 2017
4. Click Schedule of Classes
5. Search by Term
6. Click the Subject you are searching

To see a list of approved courses for MOWR please follow the steps below.

Assessing approved courses:

1. Go to www.gafutures.org
2. Click Move On When Ready (located on the right side under News You Can Use)
3. Click Course Directory and click on MOWR Course Directory blue link
4. Select Albany State University

_____ **Check here when you have completed a SPA with your high school counselor.**

_____ **Check here when all holds have been taken care of.**

_____ **Check here when you have made an appointment to register with the MOWR Coordinator.**

(Fall and Summer pre-registration usually begins in April, Spring pre-registration usually begins in November)
