Join ASURams Global in the Virtual Focus Group to share your experience with online learning at Albany State University. Your experience is valuable and will help us understand and better serve students throughout their online educational journeys. By sharing your experiences with online courses, technology, and virtual academic support services, you will be strengthening Albany State University and supporting future HBCU students.

WHY PARTICIPATE ?

- Collaborate for change
- Voice your needs
- Make a difference
- Engage with leaders
