ASU's Belize summer study abroad program introduces business students to environments in their aspiring professional careers, with an opportunity to gain valuable insights into actual organizational and managerial practices and operations. Through such experiences students can better correlate their academic experiences with their future professional careers.

Belize is a country on the northeastern coast of Central America. It is the only country in the area that has English as its official language. Belize is considered a Central American and Caribbean nation with strong ties to the entire Latin American and Caribbean region.

In addition to your studies, students in this program will also:

- **Attend workshops with successful Belizean Businesses**
- **Visit the U.S. Embassy in Belize**
- **Tour Belizean colleges and universities**
- **Go on an adventurous cave tubing day trip**
- **Visit the Mayan Ruins**
- **Intern at local businesses**

To apply visit the Office of Global Programs' Study Abroad Coordinator Danielle Albritton (229-420-1035) in Wiley Hall 212, or email globalprograms@asurams.edu

Belize 2017

May 29—June 26

Course Information

BUSA 4105 International Business (3 credits)

Contemporary problems issues and opportunities in international business from conceptual and practical viewpoints. Extensive use of case studies to develop student abilities to diagnose and develop solution to management situations facing the multinational executive.

Instructor: Dr. Kathaleena Monds

BUSA 3100 Internship for Business I (3 credits)

This course introduces business students to business working environments in their aspiring professional careers, with an opportunity to gain valuable insights into actual organizational and managerial practices and operations. The Internship program is an excellent way for students to learn the entrepreneurial way of thinking, that includes: a) the willingness to take calculated risks, b) ability to pursue goals with a strong sense of purpose, and c) the capacity to recognize opportunities. Whether students launch businesses or work for corporations, the entrepreneurial way of thinking are skills that are beneficial in either environment.

Instructor: Dr. Kathaleena Monds

*** Each student is required to take a minimum of 6 credit hours while studying abroad**

****Course substitution letters will be provided for non-business majors**

Payment Information—All payments should made at the ASU's Cashier Window
