First Author's Major: _____

Category Preference: STEM _____ Non-STEM _____ If other please specify

Presentation Preference: _____ Oral _____ Poster

List all Co-Authors (Do not include yourself):

First _____ Middle Initial _____ Last Name: _____

ABSTRACT APPLICATION

First _____ Middle Initial _____ Last Name: _____

All abstracts must follow the following guidelines:

- Abstract text limit is 250 words. This limit does not include the title
- Do not include charts, graphs or pictures in the body of the abstract
- CAPITALIZE THE ENTIRE TITLE, making the title as brief as possible

Below is the suggested format for the abstract. *Abstracts do not need to contain each field for consideration and acceptance to the Symposium.

- Background- Describe the background and significance of the research to be presented
- Objective- A statement of the objectives and/ or hypothesis of the research
- Methods – A brief description of the methods used in the research
- Results – Findings
- Conclusion- briefly state the conclusions and plans for future studies
