

Belize Study Abroad Summer 2016

May 29—June 26

Belize is a country on the northeastern coast of Central America. It is the only country in the area that has English as its official language. Belize is considered a Central American and Caribbean nation with strong ties to the entire Latin American and Caribbean region. This study abroad provides students, across various disciplines, with the opportunity to mentor and train high school students and teachers about economics, personal finance, and innovation. Enjoy the beautiful culture of Belize while studying abroad this summer!

Program Structure & Dates

The group will depart for Belize on May 29th and return to the US on June 26th. Three different courses will be offered and students will participate in service projects with other Belizean universities. Courses will be taught through lectures, seminars, and service learning with the assistance of Galen University. Students will visit a wide range of Belizean historical, archaeological, educational and business sites.

Galen University

Galen University, named in honor of the Greek scholar and physician Galen, is located at 62.5 miles George Price Highway - 5 miles east of the twin towns of Santa Elena & San Ignacio. Deep in the Cayo District – the western part of the country know for its lush rainforests, abundant wildlife, and many Maya sites - the twin towns serve as a home-away-from-home for students.

The University, founded in September 2003, is Belize's only privately administered tertiary institution offering its own degrees, as well as accredited U.S. degrees from the University of North Carolina at Wilmington.
