

Summer 2016

What better way to experience the Spanish language than to experience native speakers and to saturate yourself in the culture?

Come study abroad with us in the beautiful Dominican Republic and earn 6 credit hours! Fall in love with the Spanish language, its culture and you'll probably add Spanish as a minor.

There will be four weeks of history, language arts, culture and cuisine from the Dominican Republic with plenty of rich guided adventures to share with friends and family as well as self-guided tourism opportunities.

We are limited to 10 students so call us as soon as possible for plan available and costs.
