## SCP CURRENT STUDENT SURVEY

Each year the SCP reviews the program for ways to improve. One way in which program changes are guided is by our students' feedback. The Counseling Program Faculty at Albany State University invites currently enrolled SCP students to participate in a brief survey regarding your experiences in the School Counseling Program at Albany State University. The results from this survey will be shared with the program Advisory Committee and used to improve the Counselor Education Program.

You will receive the survey link in your university mailbox. Read all the instructions and complete all questions to the best of your abilities. The survey will take approximately 15 minutes to complete. If you have any questions or concerns regarding this survey please contact, Dr. Quiteya Walker, the Counseling Program Coordinator at [quiteya.walker@asurams.edu](mailto:quiteya.walker@asurams.edu).

Stay tuned for the link, coming to your RAMMAIL soon!

## Giving Matters Initiative

The School Counseling program is seeking donations for its 4th annual Giving Matters initiative. In the past we have served food to numerous families and we hope to continue this effort. Drop off any food items to ACAD room 244I. You can bring canned goods (green beans, collard greens, candy yams, dressing, etc.), box rice, stuffing mix, box macaroni and cheese, box desert, etc. Just think of what food items you would

need for a meal. The program will assemble and deliver baskets of the meals to at least two families in the Dougherty County area the afternoon of **Nov. 20**

For more information, contact Dr. Walker at 229-430-4783. Please make a donation to this noteworthy cause. **Donations must be received by Nov. 19**
