○ **NEW Scholastic Aptitude Test (SAT)**
(taken March 2016 or after)

Critical Reading: 360
Mathematics: 18
Writing: Not considered

*Albany State University's SAT School Code is 5004; the ACT School Code is 0782.

Nontraditional Students

- Students who have been out of high school at least five years or whose high school class graduated at least five years ago, and hold a high school diploma from a regionally accredited high school, or satisfactorily completed the GED, and have earned fewer than 30 transferable semester credit hours are not required to take the SAT or ACT; however, these students must take the Accuplacer Placement Examination and complete any Learning Support requirements.

Homeschool Graduates or Graduates of Non-Accredited High Schools

- Graduates of Home School programs or Non-accredited high schools may satisfy admissions requirements using SAT scores and satisfactory documentation of equivalent competence in each of the areas at the college-preparatory level. Applicants who achieve designated scores on each of the following SAT II Subject Tests in an area will be considered to have demonstrated equivalent competence and do not need to submit additional documentation in that area: English Writing, Literature, Math IC or Math IIC, American History & Social Studies, World History, Biology, and one of the following: Chemistry or Physics.

Transient Students

- Students who are regularly enrolled in other institutions may be allowed temporary matriculation at Albany State University. Transient admission is ordinarily limited to one semester. Transient students must submit an official application for admission and letters of approval from an Academic Official of the institution in which they are enrolled certifying that they are currently eligible to return to the parent institution, and that they have been granted permission to enroll at Albany State University for a specified period of time. The University requires that the letter of approval

include a list of courses that the student should take while enrolled at Albany State University.

Transfer Students

- Applicants who have attended other regionally-accredited institutions can apply for admission with advanced standing, provided they are academically eligible to return to the college or university last attended and have 30 or more transferable college credits. Students transferring from other colleges must send official transcripts of all previous college work to the Office of Enrollment Services at Albany State University. Students with fewer than 30 transferable college credits will be required to meet the Freshman Admissions standards for Albany State University.
- The applicants' eligibility for admission will be based on previous academic performance. The Institution reserves the right to require high school transcripts and ACT or SAT scores for transfer students; it also reserves the right not to accept the credits of an institution, regardless of its accreditation status, when the University determines that the course content is not equivalent to the course content at Albany State University.
- Students must report all courses completed at other institutions. Failure to report previous college attendance is sufficient cause for cancellation of registration and credits earned at Albany State University. A maximum of 90 academic semester hours from an accredited senior college may be applied to the program in which an applicant desires enrollment, provided that grades earned are "C" or better. Applicants who have completed the core requirements in a transfer program in another unit of the University System will receive full transfer credit for all core courses. A maximum of 30 semester hours in any combination of independent study, extension and/or credit by examination earned at other accredited institutions can be accepted toward graduation.
- Albany State University will accept as transferred credit "D" grades earned in core curriculum courses unless otherwise noted in program of study requirements; no freshman English courses with grades less than "C" will be accepted as transfer credit. All transfer applicants accepted for admissions will be provided a copy of their transcript evaluation, which includes the work accepted from the college(s) previously attended. This evaluation must be presented upon registration to the

student's advisor. Unofficial transcripts cannot be evaluated. Applicants who have NOT completed at least 30 semester hours of transferable college credits should complete all the requirements for freshman admissions. Students who have not completed Learning Support requirements at another System institution shall be admitted only in accordance with the Learning Support guidelines. Applicants transferring from an institution or program that did not require the CPC may be subject to CPC requirements.

Move on When Ready (MOWR) Students

The Move On When Ready (MOWR) program allows high school students to enroll in college level courses. The best part is students get credit for college classes AND their equivalent high school course at no cost or very little cost to the student. There is no charge for tuition, mandatory fees, and required books, providing a huge cost savings for parents and students. Students can enroll part time, full time, online, or on campus classes. Some even graduate with an Associate's Degree at the same time they graduate from high school. Albany State University welcomes any 10-12th grader attending a public, private, or home study program in Georgia to participate in the Move On When Ready Program. MOWR will pay full tuition and fees for students enrolling in approved courses. Course related fees are also the responsibility of the student.

Readmit Students

- Students who have previously attended Albany State University and have not been in attendance for a semester or more are required to file an application for readmission in the Office of Academic Services and Registrar, by the deadline dates listed on the academic calendar for admission. Students must reenter the same academic department in which they were last enrolled until the change of major is approved.

International Students

- International students must meet the following regular admission requirements:
 - Complete and submit an official application for admission at least two months prior to the regular admission deadline.
 - Have an official United States evaluation completed for all non-US secondary schools attended and for examinations taken. Applicants must

have the equivalent of a US high school college preparatory diploma.

- Test scores providing evidence of English language proficiency. If English is not the official language of the applicant's home country, then the applicant must take the Test of English as a Foreign Language (TOEFL). Minimum scores for the TOEFL are as follows:
 - Internet TOEFL – 69
 - Paper TOEFL for Associate's degree – 500
 - Paper TOEFL for all other degrees – 523
 - Computer TOEFL (no longer available) – 193
 - IELTS – 6

The school's destination code is 5004.

- Scores on the SAT from the College Board or scores on the ACT from the American College Testing Program.
- Scores from the Accuplacer Placement Examination of the University System of Georgia.
- Must present evidence of adequate financial resources for the entire period the student will attend Albany State University (complete the Albany State University Certificate of Finances form).

Student Auditors

- Students wishing to enroll without receiving academic credit are considered auditors.
- Student auditors must submit an application and an official high school transcript showing date of graduation or the General Education Development (GED) Examination. Why is this necessary? May be difficult for older learners to obtain.
- Auditors must pay the regular fees for enrollment and shall be prohibited from receiving credit at a later time for courses for which they were registered as auditors. Auditors do not receive credit, but receive a grade of V (see grading system).

Senior Citizen Students (Amendment 23)

- Citizens of the state of Georgia who are 62 years of age or older are eligible to enroll on a "space available" basis without payment of tuition and fees, except for supplies, laboratory,
