

Welcome to the Digital Library of Georgia

The Digital Library of Georgia is a gateway to Georgia's history and culture found in digitized books, manuscripts, photographs, government documents, newspapers, maps, audio, video, and other resources.

The Digital Library of Georgia connects users to a million digital objects in more than 200 collections from 60 institutions and 100 government agencies. Though this represents only a fraction of Georgia's cultural treasures, the Digital Library of Georgia continues to grow through its partnerships with libraries, archives, museums, government agencies, and allied organizations across the state.

Based at the [University of Georgia Libraries](#), the Digital Library of Georgia is an initiative of [GALILEO](#), the state's virtual library. Please also visit the [Civil Rights Digital Library](#) and [GeorgiaInfo](#), an online Georgia Almanac, built in partnership with the DLG and GALILEO.
