[Want ASU Admissions to Attend Your Event?](#)

Albany State University has a rich history and tradition of academic excellence. Our students enjoy the benefits of a full range of undergraduate and graduate programs providing a solid liberal arts foundation. With four colleges with more than 30 undergraduate and 12 Graduate degree programs, there are many options for you at ASU. Albany State is accredited by the Southern Association of Colleges and Schools Commission on Colleges. With several other accreditation, we want to ensure that you will receive a rich educational experience.

#### Undergraduate

*YOUR Potential. Realized.* begins here at Albany State University, our goal is to help students realize their potential. We prepare students for success in their life and careers by offering students educational opportunities, guidance, and support that extends beyond the classroom. Students who are interested in pursuing a degree but have not yet obtained a 4 year college degree or to obtain a second bachelor's degree.

#### Graduate

Through the many graduate programs offered, our goal is to ensure academic excellence for each student by providing in-depth, quality instruction. Upon graduation, it is our vision that every ASU student gain the skills to compete in a technologically advanced society, have an understanding of ever-changing world events and adapt to them with an appreciation for the importance of lifelong learning.
