programs, strengthen the base of academic and research partnerships, and
expand economic development initiatives.

**July 1, 2000 - to the Present Vice President for Public Service and Outreach and Tenured Full Professor in
Institute of Higher Education**

University of Georgia, Office of the Vice President for Public Service and Outreach, 1234 S. Lumpkin Street, The Treanor House, Athens, GA 30602
Provides the institution's leadership for a broad array of public service and outreach activities conducted by sixteen (16 colleges) and schools and oversees nine (9) public service and outreach units that deliver more than six million contact hours annually to the citizens of Georgia, the nation and the world. As a senior administrative officer, reports directly to the Senior Vice President for Academic Affairs and Provost, with strong linkages to the Vice President for Research and the Vice President for Instruction. Responsible for developing and communicating a vision for public service and outreach consistent with the needs of a changing society and to ensure that this vision is integrated into the University's research and instructional missions. Member of the University Cabinet. Approves all public service and outreach faculty appointments.

**January 1, 1995 - to
June 30, 2000**

Senior Vice Chancellor for Human and External Resources

Board of Regents, University System of Georgia, 270 Washington Street, S.W., Atlanta, Georgia Served as the chief administrative official for Human and External Resources for thirty-four (34) campuses of the University System of Georgia. Responsible for assisting the Chancellor in strategic planning and policy development and for the execution of all policies, rules and regulations of the Board of Regents. Responsible for External Affairs (media and public relations outreach, public service and economic development, and legislative affairs) Legal Affairs, and Human Resources for the University System. Provides counsel and assistance to campus presidents in System policy and operational matters. Responsible for overseeing the internal operations of the System office.

**January 1, 1994 - to
January 1, 1995**

Acting Executive Vice Chancellor

Board of Regents, University System of Georgia, 270 Washington Street, S.W., Atlanta, Georgia Served as the chief administrative official for the internal direction of all operations for thirty-four, (34) campuses of the University System of Georgia. Principal Policy Advisor to the Chancellor in the governance of the University System with strategic, short and long-range planning and policy development. Represented the University System in meetings with community leaders, public organizations, state agencies and legislators. Responsible for the organization of the work of the System staff, management operations of the System office, review of all academic appointments and budget amendments, preparation of the agenda and agenda materials for meetings for the Board of Regents, and provided counsel and assistance to campus presidents in System policy, program development and operational matters. Also served as Chair of the University System Advisory Council and provided overall coordination of Board level long-range planning.

September 1, 1990 - to Chief Executive Officer

December 30, 1993

Georgia Partnership for Excellence in Education, Inc., 233 Peachtree Street, Suite 200, Atlanta, Georgia (leave granted by the Board of Regents in 1990), continued in 1992 as permanent Director. Served as the chief executive officer of

a public-private partnership representing business, government, and education - responsible for providing the leadership necessary to create a strategic plan to ensure quality public education in Georgia at all levels – K -12, Technical and Adult Education, and the University System of Georgia. The position required management of a \$1.9 million dollar budget, governmental relations with the Georgia General Assembly, and liaison with Governor's office. The Robert W. Woodruff Foundation of Atlanta provided funding for the Georgia Partnership for Excellence in Education and the position entailed responsibility for coordination of fundraising/development with the Woodruff Foundation and other Georgia foundations. The Partnership was a cooperative effort between the Georgia Chamber of Commerce, the Georgia Economic Developers Association, and the Georgia Alliance for Public Education.

1987 -1992

Vice Chancellor for Services

Board of Regents, University System of Georgia, Atlanta, Georgia
As Vice Chancellor for Services for the thirty-four (34) campuses of the University System of Georgia, this position included responsibility for policy development on all matters related to public service, outreach, and international programs. Also served as liaison with state and local governmental agencies on public service and outreach needs. Managed the system-wide International Intercultural Studies Program with fiscal/budgetary responsibility for eighteen study abroad programs in ten countries; responsible for a program budget of approximately \$4.1 million.

1983 -1987

Dean of Graduate Studies and Sponsored Research, and Associate Professor

Office of Academic Affairs, Kennesaw State University, Marietta, Georgia
As the first Dean of Graduate Studies and Sponsored Research, responsible for setting up program, provided educational leadership in graduate studies and stimulated development of academic standards; served as ex-officio member of the Graduate Policies Subcommittee with university-wide responsibilities in program governance, evaluation; promoted international studies and programs university-wide and served as a central focus of the university for relationships to external agencies. Responsible for financial management and budgeting; graduate studies and sponsored research. Coordinated the development of the annual academic affairs budget and monitored implementation. University liaison with Cobb County Chamber of Commerce on international programs.

1976 – 1983

Special Assistant to the Vice President for Academic Affairs

Office of Academic Affairs, University of Alabama, Tuscaloosa, Alabama
Served as Special Assistant to the Vice President for Academic Affairs. Reviewed new undergraduate and graduate degree proposals from all schools and colleges. Served as academic Affirmative Action Officer and Secretary to the university-wide Committee on Committees. Prepared revision of faculty overload compensation policy. Conducted budget review for new academic programs. Reviewed and monitored selected public service activities provided by centers and institutes at the University of Alabama. Reviewed and evaluated proposals related to innovations in teaching and learning.

1976 -1983

Assistant Professor

Department of Administration and Higher Education, University of Alabama, Tuscaloosa, Alabama

Courses taught: Administration of Higher Education; Clinical Experience in Higher Education; Dissertation Research; Education Planning (Theory); Organizational Theory and Behavior; Seminar -Organizational Communications. Other duties; dissertation committees; academic advising; public service activities. Leadership in college-wide international program, involving all departments with 105 faculty members. Planned, organized, and developed graduate courses for Columbia, South America, Mexico and the Caribbean Area.

1974-1976

Assistant Director

Office of Academic Affairs, University of Alabama, Tuscaloosa, Alabama
Responsible to the Vice President for academic Affairs for a university-wide comprehensive Career Development program involving all Colleges and Services Divisions with 50 faculty and staff, including Policy, Planning, Faculty Development, Budgeting, Program Development and Evaluation. The program was established through an award from USOE (\$247,000), to be a model project demonstrating a comprehensive University effort aimed at the career development of students. Planned and conducted career development conferences for minority students.

1972-1974

Chief Executive Officer

DOD Civilian, United States Department of Defense, Bangkok, Thailand
Served as chief executive officer for District III, in the Pacific-Area Department of Defense, (DOD) Dependent School Programs for Thailand. This position required a high level of management and leadership skills in order to effectively anticipate and provide for the post-secondary educational needs of 2,400 DOD dependents through relationships and agreements with 14 tuition fee and two correspondence schools servicing all of Thailand. Responsible for the preparation and submission of recommendations to district chief administrator's in the Philippines regarding schools to be considered for DOD contracts. Investigated and certified information on scope of schooling program, teaching methods, and logistical conditions pertinent to Continental United States education requirements and made recommendations. Initiated contractual procedures, and coordinating with concerned Air Force agencies and schools. Upon establishment of contracts, monitored school systems, logistics, programs, and educational techniques, through published materials and on-site visits. Formulated future planning and development of programs. Reviewed and analyzed budgets W1th appropriate Air Force officials so as to provide a means for keeping program administrators apprised of monetary conditions involved in the \$4.1 million program.

1970 -1972

Counselor

State Department of Education, State of Tennessee, Nashville, Tennessee
Developed key skills in the areas of analysis, interpretation of federal, state and local laws, assessing the strengths and weaknesses of individual clients' personal

abilities and external situations and making decisions based upon these factors. Also gained experience in communicating activities and goals of department to outside groups through public speaking and related public relations duties.
