

**Albany State University**  
**Program/Unit Assessment Plan**

<b>Program/Unit:</b> Bachelor of Science in Criminal Justice
<b>Program/Unit Coordinator:</b> Jason Armstrong
<b>Assessment Period:</b> 2016-17
<b>Related ASU Guiding Principle:</b> Expand Access to Higher Education
<b>Program/Unit Mission Statement:</b> The mission of the Bachelor of Science in Criminal Justice is to produce graduates with a working knowledge of the criminal justice system and a skill-set conducive to the advancement of leadership positions in criminal justice or related fields on the local, state, and national levels. Graduates will possess the skills necessary to perform graduate level coursework in academic disciplines specific to criminal justice and social science related fields.
