

success begins here

a bright, new ASU

At Albany State University, we understand how exciting—yet difficult—the college selection process can be. It's easy to feel like just another face on campus, so be assured when you visit ASU you'll receive individual attention from our staff throughout the process.

Our goal is to meet the needs of you and your family, so it's easier for you to make an informed decision. Get a glimpse of ASU's campus life with a personalized, student-led tour any weekday.

While on campus, meet with faculty in your area of interest or speak with an admissions and/or financial aid representative to begin writing your ASU success story.

find the new you

ASU offers endless opportunities to a diverse population of students. Find where you fit in!

- Student-to-Faculty Ratio: 20 to 1; 5 campus locations, 10,000 students
- Diverse student population from around the U.S. and more than 160 international students from 44 countries
- More than 65 student organizations on campus
- 13 sports teams including football, softball, baseball, basketball and others. **New in 2017!** Golden Rams women's soccer and men's golf

study abroad & online

We believe learning doesn't just happen on campus. Our distance learning options offer students the opportunity to turn wherever they are into their own classrooms:

- Explore other cultures, histories and languages while taking classes and earning credits toward graduation. In 2016, ASU offered study abroad opportunities in 10 different countries.
- Our online programs offer an academically rich and challenging environment that promotes student/instructor engagement and interaction and produces competitive graduates!
