Achieve your educational goals through online learning at Albany State University. Classes are offered in 8 and 16-week terms. Courses, Degrees, and Transfer Options listed on this site are offered fully online, which means there is never a reason for you to travel to campus. Courses that require proctored testing or a clinical component can be completed either online or in your geographic area. (For information on courses that require proctored testing or has a clinical click "Additional Course Fees".) An Online Support Specialist is in place within each field of study to help you from Admissions to Graduation.

Separated by physical distance and often time, you and your instructor will meet together and communicate in class utilizing discussion boards, blogs, wikis, video conferencing tools and more! As an online student at Albany State University you will have access to the latest technologies; you will never feel isolated.

Contact us today for further information – Albany State University Online – It's Personal!
