When filling out your FAFSA

Use **TWO** School Codes:

001543 & 001544*

*If both school codes are not listed when doing initial FAFSA, financial aid application processing may be delayed and could require additional documentation to add a school code at a later date. **We will be unable to process financial aid for a student who only has 001543 code listed.**

001544

001543

Radium Springs Campus
