Accreditation of Albany State University

Albany State University is accredited by the [Southern Association of Colleges and Schools Commission on Colleges](#) to award associate, baccalaureate, masters, and specialist degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097 or call 404-679-4500 for questions about the accreditation of Albany State University.

The purpose for publishing the Commission's access and contact numbers is to enable interested constituents (1) to ask questions about the accreditation process, (2) to learn about the accreditation of ASU, and (3) to file a complaint against ASU for alleged non-compliance with a SACSCOC standard or requirement.

Questions related to ASU admissions, financial aid, educational programs, catalogs, publications, or websites as well as the policies and practices of ASU should be directed to the university and not to the Commission on Colleges.
