

Impact leadership.

You see the need. You feel the calling. You're ready to increase your impact as an educational leader. With a Tier II Educational Specialist degree (EdS) or certificate from Albany State University, you will.

Upon completion, you will have the credentials necessary to attain advanced leadership roles, such as:

- Principal
- Principal's supervisor
- Superintendent

You will gain knowledge, skills, and tools to take on challenges and inspire others.

You will apply real-world experience at every level, contributing to decisions that guide your district. And along the way, your peers and professors will provide a stimulating and supportive environment to help you realize your leadership potential.

Ready to make an impact? Find out more inside.

Inspire the future. Create an impact. Be the difference.

with and Educational Specialist (Ed.S.) degree or certificate.

- ▶ Put your passion into practice.
- ▶ Make a difference in students' lives.
- ▶ Reach your potential as a leader.

Start making an impact today.

COLLEGE OF BUSINESS, EDUCATION,
AND PROFESSIONAL STUDIES

Educational Specialist Tier II

UNIVERSITY SYSTEM OF GEORGIA™
Department of Counseling
and Educational Leadership

What makes ASU different?

ASU is redefining educational leadership.

The ASU Tier II Educational Specialist in Leadership program is one of only 7 in the U.S. selected by the prestigious Wallace Foundation to be reimaged as a national program of excellence. We combine academic rigor with customized guidance to help you become a high-impact leader, reaching your potential so you can help others reach theirs.

What's the ASU experience like?

Your ASU Educational Leadership Tier II online program uses a cohort model and is customized to help you hone your strengths and build new ones. You will complete coursework grounded in the following cross-cutting themes:

- Equity
- Reflection
- Data-Informed Processes
- Regulatory Alignment
- Turnaround Competencies

Inspire
the
future.

Create
an
impact.

Be
the
difference.

What makes you different?

Along with your passion for education, you have shown your potential through your achievements.

- Graduate cumulative GPA 3.0 or higher
- 3+ years of professional education experience
- Tier 1 Certification in Leadership

You will be among a group of peers who share your commitment and drive, making your experience both challenging and rewarding.

Degree or Certificate

Those pursuing their Educational Specialist degree will take 27 credits. Those only needing a certificate will take 21 credits.

Your year at-a-glance

► Summer

Focus: vision & mission, school improvement, professional learning

► Fall

Focus: teams & collaborative work, families & community engagement, teaching & learning

► Spring

Focus: personalized student learning & well-being, ethics & equity advocacy, organization & management

Each term will include real-world experiences and clinical practice.

By the end of the year, you will have the leadership knowledge, skills, and experiences needed to harness your passion and make a meaningful difference in the lives of your students.

Next steps

Phase 1: Selection Process

You will participate in a virtual individual and group interview and on-demand teacher observation-feedback activity.

Following Phase 1, you will be notified if you are invited to participate in Phase 2.

Phase 2: Graduate Admissions Process

Apply online. Details at asurams.edu/eladmissions. Complete and submit all official documents.

Following Phase 2, you will be notified if you have been selected to join the program.

Phase 3: District Documents Submission Process

Before you can start, your district will be asked to provide us with additional forms, including proof of employment in a leadership position.

Additional clinical experience may be required. See website for details.
